**1. CITIZENS COMMENTS.** None.

**2. HIGHWAY REPORT.**

a. Road Foreman Report - Some chloride is being done [Young, Horton, Knox Hill, Singing Cedars, Old Stage, Cook, Stevens Orchard, Bascom - tomorrow Griswold] but the grading and gravel laying need to be finished before more chloride can be done.

Roland Simmons reported that Moore's Auto submitted a permission letter to move a new home into Orwell on or about the June 25<sup>th</sup>. The Chair signed the letter so Moore's Auto could get its file updated with the DMV as soon as possible.

b. Access Permit - Leonel Lessard - Roland Simmons explained that he reviewed the access permit, signed by the Road Foreman, and signed it to facilitate Leonel Lessard's building permit.

c. Loader Ad from Killington - Via email Killington has a loader for sale. Discussion ensued. The Select Board would like to start the search process by first setting up a profile of exactly what in a loader the Road Foreman and the Select Board are seeking.

d. Horton Road Complaint - Roland Simmons stated that on May 31, 2007, Johanna Perry submitted a complaint concerning her inability to drive passed her neighbor's property on Horton Road. Johanna Perry was asked to state her side of the situation. Michael Williams was then asked to state his side of the situation.

Johanna Perry described the complaint event and also stated that she has to wait many times to get in or out of Horton Road to and from her house and is "tired of being blocked".

Michael Williams explained that he is aware of the narrow road and has made spaces for his vehicles to be parked out of the traffic area of the road. Farmers pass through this area many times with wide vehicles and do not have any trouble or make any complaint, he further stated.

Jesse Martin gave his explanation about his vehicle use of Horton Road on the day in question. Gloria Bonner also gave testimony on some of her experiences passing by the Williams property. Discussion ensued.

Roland Simmons explained that North Horton Road is a 4 rod wide road as documented in the Land Records. The road is narrow on this north end. People need to be aware and courteous to other people's actions. Neighbors need to work out a policy to handle use of this narrow road. The Select Board cannot solve this problem.

The Select Board will be out to Horton Road to do some measuring and to set up a plan for a turning area to accommodate the Town snow plows in winter.
